

CP82 - WATER – RURAL RESIDENTIAL LAND

That rural residential land only be served with filtered water subject to:-

- (a) The developer paying the appropriate headworks fee, and,
- (b) The developer transferring to Council the water rights as per the Council's 1(c) Strategy..

In relation to the extension of filtered water to areas to the east of Wentworth it was agreed that residents opposite the Showgrounds be offered filtered water and the extension be at the cost of the owners for headworks.
