

Provider Information Session - for New Providers

Are you interested in providing services to NDIS Participants?

The National Disability Insurance Scheme is rolling out progressively in Australia over the next two years. In order to support individuals or organisations learn how to become providers, the National Disability Insurance Agency will be holding provider introductory sessions in line with the regional rollout.

The areas covered will include:

- Overview of the NDIS and the participant pathway
- How to register as a NDIS provider
- Market information (including information about the Terms of Business, the provider portal, Reasonable and Necessary Decision Making and Payments and Pricing)

Non-registered providers are encouraged to attend.
