Mooring Sites

Attachment B to the Development Application

made under of the Environmental Planning and Assessment Act 1979
Section 4.11

This document forms an attachment to the Application for Development and outlines additional information required for mooring site applications.

TYPE OF MOORING

- ☐ I am applying for a Private Mooring Site.
- ☐ I am applying for a Commercial Mooring Site.

VESSEL DETAILS

Name	<input type="text"/>		
Type	<input type="text"/>	Length	<input type="text"/>
Width	<input type="text"/>	Registration No	<input type="text"/>

CROWN LAND REQUIREMENTS

Minister's consent is required from Crown Lands for the mooring site if the mooring poles are located between the high bank and the river. All beds and banks of the river in Western NSW are Crown Reserve 84334 gazetted 22 March 1963.

If the above applies, consent will need to be sought from Crown Lands for the mooring site. A Landowner's Consent Application form needs to be filled out and submitted to Crown Lands Division with a cheque or money order for \$70.00.

- ☐ The above criterion does not apply to my mooring site application and therefore Crown consent is not required.
- ☐ The above criterion does apply to my mooring site application and I have applied for Crown consent.

Contact: Crown Lands Division - Vanessa Woodham Ph: 02 6883 5433

COUNCIL PUBLIC RESERVE

If the mooring site is to be accessed over a Council owned Public Reserve, a Licence Agreement must be sought from Council to obtain approval to access the land.

A Licence Agreement needs to be filled out and submitted to Council together with the Application for Development.

- ☐ The above criterion does not apply to my mooring site application and therefore a Licence Agreement is not required.
- ☐ The above criterion does apply to my mooring site application and I have attached the Application for a Licence Agreement.

APPLICANT'S DECLARATION

I/we declare to the best of my/our knowledge and belief that the particulars stated on this attachment are to the best of my knowledge, true and correct.

SUPPORTING INFORMATION

To enable assessment of your application, Council requires the following supporting information. Please note that if the information is not provided this may lead to your application being rejected or delayed.

- ☐ 3 copies of the Site Plan

The site plan should include the following details:

- North point and scale
- Name and contact details of who prepared the plans
- Location of (including measurements from boundaries, waters' edge & between poles if applicable):
 - mooring site and mooring poles
 - property boundaries
 - any existing physical and natural features e.g. building, vegetation, driveways etc
 - Existing easements and/or utility services e.g. water, sewer, stormwater drains etc
 - Existing and proposed structure/s and/or additions
 - Measurements of proposed structure

- ☐ 3 copies of each of the following photos (see the diagram below for clarification of the angles):

- Photo of the bank of the mooring site looking upstream (Position A).
- Photo of the bank of the mooring site looking downstream (Position B).
- Photo of the mooring site directly facing the proposed site (Position C).
