WHAT'S HAPPENING AROUND YOUR SHIRE?

CURRENT COUNCIL PROJECTS

Wentworth Aerodrome Upgrade

Works are scheduled to be completed in early 2021 with numerous benefits for the community. The upgrade will support the rural and remote emergency and air freight networks, and will have a tourism benefit with better access to tourist attractions in the area.

Wentworth Sporting Complex

The much needed upgrade to the Wentworth Bowling Club's second green is continuing, with artificial turf being laid around the edges, bringing the project one step closer to completion.

Projects such as these are important for the community and help ensure our facilities are available to be used by all in the future years.

PROJECT UPDATES COMING SOON

- Wentworth Shire Civic Centre Redevelopment - Tender for construction in October
- Wentworth Long Day Centre - Funding announced last month
- Rowing Club expansion - Funding announced last month
- Wentworth Riverfront Redevelopment - construction plans being finalised
- Junction Links Subdivision - construction plans being finalised
- Willow Bend Caravan Park Redevelopment - construction plans being prepared
- Wentworth Showgrounds Community Pavilion - under construction
- George Gordon Oval - new netball courts nearing completion
- Gol Gol Filtered Water Treatment Plant upgrade - under construction
- Buronga Effluent Disposal Station - under construction

A WIN FOR OUR COMMUNITY

NEW MEDICAL CLINIC ON TRACK

Wentworth Shire Council and Wentworth Community Bank have provided funding of up to \$170,000 to establish a medical clinic in Wentworth in support of a proposal by the Coomealla Health Aboriginal Corporation.

The medical clinic is set to open two days a week from the end of August with the potential to increase hours in line with patient demand.

Services available to all the community

Initially it is proposed that the clinic will open for two days per week with a view of operating Monday to Friday as patient demand increases.

Due to open in late August, feedback from the community has been extremely positive. We look forward to working closely with CHAC in bringing the doctors back to Wentworth.

The doctors and medical team look forward to welcoming all patients
