

WENTWORTH SHIRE COUNCIL

LIGHT RECREATIONAL AIRCRAFT, FEES & CHARGES EXEMPTION APPLICATION FORM

Application Summary – This form allows the registered operator of a nominated light aircraft to request an exemption from fees applicable while operating from Wentworth Shire Council (WSC) operated aerodromes provided the light aircraft:

- is used solely for recreational purposes; and
- has an MTOW not exceeding 1700 kilograms.

Note: An operator using a light aircraft for commercial operations which includes both revenue-generating and not-for-profit activities, such as charter, hire, instruction or training (commercial purposes), even if it is also used for recreational purposes will still incur landing and parking fees.

Operators may apply for an annual localized use agreement (ALF) as out lined in Council's Aerodrome Fees and Charges.

What this exemption covers – The exemption covers the cost of only landing and parking charges for the nominated aircraft from a commencement date determined and approved by WSC Aerodrome Manager.

Applying for an Exemption – To apply for an exemption, please complete this Application Form and submit to;

council@wentworth.nsw.gov.au

Attn: Aerodrome Manager

Aerodrome Fee and Charges are available on Councils website

Applicable conditions – The conditions relating to this exemption are;

The operator must ensure compliance with Councils conditions of use and access.

The operator must apply for this exemption even if your aircraft is parked in an aircraft hangar.

This exemption does not include the parking of motor vehicles.

This exemption only applies to an aircraft/s approved by the Aerodrome Manager.

The applicant may or may not receive an exemption for any single or multiple aircraft at the discretion of the Aerodrome manager.

The applicant accepts the aerodrome manager's decision is final and no correspondence will be entered into regarding the decision.

WSC Aerodrome terms and condition for access and use are available on Council's website.
