

An important message from BreastScreen NSW

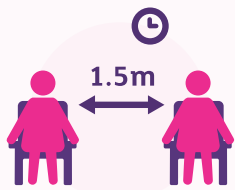

BreastScreen NSW has resumed breast screening. Your safety is our priority.

That's why we've put extra measures in place to protect women and staff against the risk of COVID-19 transmission.

The changes we've made:

A minimal contact check-in process

Social distancing in clinic waiting rooms

Providing hand sanitiser

Ongoing cleaning of equipment and commonly used surfaces

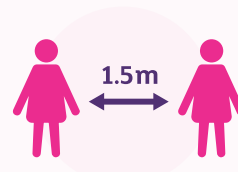

Precautionary questions around health and travel

To prepare for your appointment:

Attend your appointment alone

Stay a safe distance from others

Stay at home if you are unwell

Arrive only five minutes prior to your appointment

Wash your hands before your appointment
