

WENTWORTH SHIRE COUNCIL

Recycle your old Solar Panel Systems at the Buronga Landfil

**We can now accept
damaged or expired
panels from residents
and industry providers**

**Our current Sunset on Solar
project, funded by the NSW EPA,
allows Wentworth Shire Council
to receive and recycle 100% of
the panels that are dropped off**

**If you have any
questions about the
project please call the
project coordinator on
0467 756 837**

*'This project is a NSW
Environment Protection Authority,
Waste Less Recycle More initiative
funded from the waste levy'*
