

Connecting Wentworth for a stronger care and support workforce

Boosting the Local Care Workforce, in collaboration with the National Disability Insurance Agency would like to extend an invitation to registered and unregistered NDIS providers and other industry stakeholders to attend a full day round table event.

The purpose of the day will be to:

- Hear from the NDIA about the demand and opportunities for support services in the Wentworth region
- Hear from the Boosting the Local Care Workforce team on innovative recruitment strategies
- Develop an understanding of service delivery innovation to meet the needs of your local community.
- Participate in guided conversations exploring challenges and solutions in the region.
- Build your networks with local service providers, enabling services, BLCW and NDIA

The NDIA and BLCW are aware that a well-functioning NDIS market relies on well-connected stakeholders, working collaboratively and effectively to enable adequate supply to meet the needs of NDIS participants

Morning tea & Lunch will be provided

Location: Midway Centre Meeting Room 1or 2 - 6 Midway Drive Buronga
