Overview

The Operational Plan is Council’s action plan for achieving the community priorities outlined in the Community Strategic Plan and Delivery Program. The Operational Plan is prepared each year and identifies the projects, programs and activities that Council will conduct to achieve the commitments outlined in the Delivery Program.

As part of Council’s Delivery Program and Operational Plan, a detailed breakdown of Council’s finances helps to give context to the planned projects and activities and details the funding required for Council’s services and functions for the 2023/2024 financial year. Council will report on the budget for 2023/2024 quarterly as required.

Overall, the Operational Plan and budget continues to deliver a high standard of service for the residents and ratepayers of the Wentworth Shire.

The projected financial results for the Operational Plan and Delivery Program periods form the initial years of Council’s Long-Term Financial Plan. The Plan is part of Council’s Resourcing Strategy and models Council’s performance over a ten-year timespan.

Achieving the vision for 2032

The consultation and engagement activities undertaken to inform the Wentworth Shire: Our Future in Focus - Community Strategic Plan 2022-2032 resulted in the formation of the following concise and ambitious vision for the region:

Wentworth Shire will work together to create a thriving, attractive and welcoming community.

To ensure we, as a community, can work toward achieving this vision, four strategic objectives have been developed around the quadruple bottom line which aims to balance social, environmental, economic and governance aspects of strategic plans.

Underpinning each objective is a range of supporting strategies that outline high-level approaches to achieving the objectives and delivering the vision.

Quadruple Bottom Line

The quadruple bottom line underpins the Community Strategic Plan, helping to categorise the priorities that have been identified by the community.

Our strategies link directly to the quadruple bottom line, which are as follows:

Wentworth Shire is a vibrant, growing and thriving region

ECONOMIC

Wentworth Shire is a great place to live

SOCIAL

Wentworth Shire is a community that works to enhance and protect its physical and natural environment

ENVIRONMENTAL

Wentworth Shire is supported by strong and ethical civil leadership with all activities conducted in an open, transparent and inclusive manner

For Council to live within its means and achieve financial sustainability the annual budget must be balanced and in alignment to Council's long-term financial position. To ensure that Council lives within its means and that annual operations do not deplete financial reserves, Council's budget for 2023/2024 includes the following assumptions:

Rates and Annual Charges

- The Ordinary Rate will be increased by the maximum 3.70% (as determined by the Independent Pricing and Regulatory Tribunal of NSW (IPART)).
- Waste water access charges will be increased by 3.70%.
- Raw and filtered water access charges will be increased by 3.70%.
- Domestic waste charges will be increased by 3.70%.
- Water consumption charges will be increased by 3.70%.
- Interest will be charged on overdue rates and annual charges as approved by the Minister for Local Government.

Borrowings

Borrowed funds enable the cost of acquiring assets to be spread over a longer period of time, thus easing the burden on current ratepayers.

In the 2023/2024 financial year there will be loan borrowings of up to \$9,500,000 to help fund capital requirements for the:

- Wentworth Civic Centre Redevelopment (approval to loan funds via Council resolution Oct 2022) - \$5,500,000
- Willowbend Caravan Park (Loan approved as part of 2022/2023 budget) - \$2,000,000
- Stormwater Infrastructure Upgrades - \$2,000,000

Restricted Reserves

Council will utilise the following restricted reserves to fund capital expenditure during the 2023/2024 financial year:

Future Development Reserve

\$500,000 to fund the Civic Centre Redevelopment.

Loan Reserve

\$3,500,000 from previously approved loan to fund the Civic Centre and Willowbend Caravan Park Redevelopment Projects.

Capital Projects Reserve

\$500,000 to fund the Wentworth Civic Centre Project.

Unexpected Grants Reserve

\$8,340,517 of prepaid grants to fund capital projects.

Contribution to CSP objectives

In line with the Integrated Planning and Reporting Framework Council’s expenditure has been aligned with the Objectives established within the Community Strategic Plan.

The financial expenditure figures depicted in the following table provide an indication of how Council’s expenditure in 2023/2024 is aligned to the Community Strategic Plan.

The following pages provide the details of each Operational Plan action, including the description, the strategy that it is aligned to, the responsible officer, the source of funding and the budget amount for the financial year.

2022/2023 flooding

During the 2023/2024 financial year the ongoing management of flood recovery remains a top priority.

The flood recovery program is a multi-faceted, highly involved process with the timing of work dependent on receiving approval and funding for each of the individual projects as well as contractor and resource availability.

With the region declared a natural disaster zone, repair work to our community infrastructure has commenced. Assessments of the impacts is ongoing and a number of assistance measures have been announced by State and Federal Governments. However, it will be some time before Council can fully quantify the impacts or determine exact timeframes for when damaged assets can be restored.

What we have done so far (as of Ordinary Council Meeting 19 April, 2023):

- **Buronga EDS**
 - Switchboard has been reinstated
 - Damaged electrical components have been replaced with pump station currently operational
- **Flood Affected Sign Replacement – Various Locations**
 - Affected signs been removed
 - Signs to be catalogued and quotes obtained to replace
- **Fotherby Park**
 - The underground power supply to the Possum statue, some park lights, and the visitor information board has been lost. Contractor engaged to rectify.
 - Contractor engaged to undertake the painting of some park assets – works completion scheduled for late April.
- Awaiting delivery of replacement seating
- Power bollards being modified, will be operational by Easter
- **Junction Park**
 - Awaiting underground electrical repairs to be completed
 - Painting is underway of Park assets
 - BBQ replaced
 - Awaiting delivery of replacement seating
 - Existing seating is still serviceable and remains on-site until replacement seating arrives
 - Viewing platform works identified by the Tonkin structural assessment have been completed
 - Bank erosion remedial works are in discussion

- **P.S Ruby**

- Power to the Ruby should be restored by 17 April
- 2 x boat mooring poles were uprooted during the flood period
- Contractor engaged to replace and undertake general clean-up of the site, PS Ruby is securely moored
- Flooding caused bank erosion on the north side between the water and fence. Result has 4 x mooring poles exposed to further erosion.
- Access ramp to the Ruby became detached during flooding and is underwater next to the boat – contractor engaged with other site works to retrieve the ramp

- **Wentworth Rowing Club**

- Building electrical assessment undertaken and passed - power restored
- Building structurally assessed and passed
- Pressure washing internally & externally completed
- Flood-affected components internally and externally gutted and removed
- Discussions are currently in progress regarding directions of the rebuild

- **Wentworth Showgrounds**

- Main electrical switchboard installed on a metal gantry & raised just above 1956 to mitigate effects of future flooding
- Power restored

- **Wentworth Ski Reserve**

- Pressure washing of site completed
- Some minor painting works required – completion scheduled for after Easter
- Replacement Boat ramp solar light
- Toilet block requires major rebuild
- RFQ being compiled
- 2 x Portable toilets placed on site

- **Wentworth Wharf & Riverfront**

- All pressure washing completed
- Wharf power restored
- Houseboat bilge pump is operational
- Stage 1 Painting works of park assets completed. Stage 2 Painting work scheduled for completion by Easter
- Underground power supply lost to the park lamp posts, lights under the wharf and some ground lights
- Park lights come under Essential Energy who are rectifying the issue
- Ground lights and lights under the wharf require major works – works will be undertaken following higher priority sites
- Awaiting delivery of replacement seating
- BBQ's operational
- Power bollards being modified, will be operational by Easter

What we still have to do:

Including but not limited to, the following:

- Unsealed road network – heavy grading - approximately \$3 million. Assessments ongoing
- River Road, Boeill Creek Road, Amaroo Road reconstruction (to commence late May) - 1.5km, total cost expected to be approximately \$1.5 million.
- Reinstate log bridge road
- Showgrounds – re-instatement of electrical switchboards above the 1956 flood level
- Park reinstatement works including the clean up of paths, pressure washing surfaces, painting and minor repairs of buildings and minor infrastructure
- Playgrounds – repair or replacement of playgrounds at Junction Park, Fotherby Park and Wentworth riverfront
- Reinstatement of the Buronga EDS switchboard
- Rowing club and ski reserve toilet block building repairs

Immediate clean up and emergency restoration and repair works have so far cost \$535,000.

Workforce requirements

On 15 February 2023 Council adopted the existing structure consisting of 133.45 full time equivalents (FTE's).

The adopted structure consists of the general manager and three (3) directors, with each of these positions the subject of a standard contract of employment for Senior Staff. All other staff are employed in accordance with the Local Government (State) Award.

For the 2023/2024 financial year total employment costs are forecast to be \$11,077,890 which is a 3.20% increase on the previous financial year's budget.

The following diagram depicts the Organisational Structure.

Future year estimates

The following graph provides a comparison of previous budgeted amounts, compared with the budget for the upcoming financial year and the projected future budgets for 2024/2025.

Based on the current Delivery Program projects and forecasts from 2023/2024 onwards the level of capital expenditure reduces as the current four-year Delivery Program council comes to an end.

Statement of Revenue Policy

Introduction

The information referenced in this Statement of Revenue comes directly from Council's Long Term Financial Plan (LTFP). The quality and quantity of services that Council provides to its citizens continue to grow despite an income that, in real terms, is decreasing. We are not alone in facing this predicament, but that does not lessen the size of the issue.

Despite these constraints, Council is determined to provide quality services at a level the community expects and at a price they are willing to pay. This will involve working closely with our community to provide services that best suit their needs.

In preparing the Long Term Financial Plan consideration was given to a range of economic and political factors that affect our finances and in turn our capability to maintain existing levels of service and long term financial sustainability.

Rating

Council rates are a form of taxation; they are not a fee-for-service. The Valuation of Land Act and the Local Government Act provide the legislative framework for valuing land and raising rates. All rateable land must be valued and rated. The Valuation of Land Act prescribes that the value of all properties be reassessed every 3 or 4 years to accommodate movements in land values. Council currently has its land revalued every 3 years. A revaluation establishes the value of a property relative to all other properties (ie: its market relativity).

Valuations in New South Wales are conducted by the NSW Valuer-General based on market movements and recent sales trends as required under the Valuation of Land Act.

When a local government area has been re-valued the property owner will be issued with a Notice of Valuation. Each Notice of Valuation contains both details of the property as they are recorded on the Valuer General's records and the land value at the common base date for all Valuer General valuations in the local government area.

The valuations are objective and impartial, and are based on the market for Land. The 'land value' represents the value that the 'fee simple' interest in the land, assumed to be vacant, would be if offered for sale. For 2023/2024, rates are based on property values as at 1 July 2022.

By virtue of section 494 of the Local Government Act, Council is required to make and levy an ordinary rate for each year on all rateable land in its area. This is a mandatory requirement.

A rate may, at Council's discretion, consist of:

- An ad valorem amount; which may be subject to a minimum amount of the rate; or
- A base amount to which an ad valorem amount is added.

The ad valorem amount of a rate

The ad valorem amount of a rate is to be levied on the land value of all land that is to be rateable to the rate and the rate in the dollar is to apply uniformly. The ad valorem amount of the ordinary rate may be the same for all classes or it may be different for different classes or sub classes.

Base charges and minimum amounts of rates payable

The Local Government Act allows the use of both different minimums and/or different base charges for different land use/localities. This provides additional flexibility in determining the distribution of the rating burden. It potentially enables better accommodation of 'equity' considerations but at the expense of the criteria of 'simplicity'. Greater flexibility also leaves council more vulnerable to lobbying for favourable treatment by special interest groups.

A base charge is a fixed rate levied equally against all properties. Rates based on property value are then levied to provide the additional revenue required by Council. The effect is to reduce the influence that property values have in determining the relative amounts paid by different ratepayers. By contrast, a minimum rate applies only to those properties with a value below a set threshold. The amount of rates payable by all properties with a value above that threshold is therefore determined solely by relative property values.

The higher the amount of a base charge or a minimum rate the lower will be the ad valorem rate for any given revenue target. As a result

higher valued properties may incur a greater or lesser share of the total rate burden depending on the level of the base charge or minimum rate. Applying a base rate charge will result in a different distribution between low, medium and high valued properties relative to the application of a minimum rate. The Local Government Act limits the amount of revenue that can be generated by a base charge or minimum rate. A base rate or minimum rate must not produce more than 50% of the total revenue derived for each class of property. Council has a base charge for each property class but currently does not levy a minimum charge.

Council must apply the ad valorem and base amount uniformly to every parcel of land within each property class but they can differ from property class to property class.

For well over two decades, councils in NSW have been restricted to a rate cap and this has made it increasingly difficult to achieve financial sustainability for Western Division Councils. Most of these councils have rates as a percentage of total revenue below 25%.

Rate increases over the last six years are detailed in the following table.

Table of years and rate increases and % of total revenue

Rating Year	2018/2019	2019/2020	2020/2021	2021/2022	2022/2023	2023/2024

Budget analysis

This section provides comments on the main expenses and revenues, and capital expenditure for 2023/2024.

Operating Revenue

Council has forecasted to generate \$60,798,294 in revenue for 2023/2024.

Extract of Operating Statement				
Operating Revenue	2024	2025	2026	2027
Rates & Annual Charges	\$10,187,193	\$10,498,074	\$10,764,913	\$11,038,423
User Charges & Fees	\$7,089,144	\$7,710,751	\$12,633,990	\$12,947,041

TOTAL	\$60,798,294	\$35,260,140	\$37,750,624	\$38,624,557

Rating and Annual Charges

The total income that can be raised from levying rates on property is capped by the State Government via the Independent Pricing and Regulatory Tribunal. The current rate structure for Wentworth Shire Council will be maintained, rate assessments will be based entirely upon property valuations (ad valorem) but with base rates applying where appropriate. The continuing constraint of rate pegging imposed by the State Government limits Council's ability to provide additional services or borrow additional funds and has focused considerable attention to the need for and efficiency of each service provided. Council expects to raise \$10,187,193 from rates and annual charges for 2023/2024. This includes a special variation for Tourism which was approved in 1998 for \$10 per assessment.

Pensioners who hold a Pensioner Concession card and own and occupy rateable property in Wentworth Shire receive a mandatory rebate on their rates and annual charges. The State Government funds 55% of the rebate. This is expected to cost Council \$76,000 in 2023/2024.

Interest charges on unpaid rates and charges will accrue on a daily basis at the rate as determined by the Minister for Local Government in accordance with Section 566 of the *Local Government Act 1993*.

Hardship and ability to pay rates

Hardship is the difficulty in paying debts when repayment is due. Any person who cannot pay their rates or charges due to hardship can apply to Council for assistance at any time. Ratepayers are encouraged to seek assistance from Council as soon as practical. Council will consider each hardship application on its merits.

There are several ways Council may help a ratepayer who is experiencing financial hardship including, but not limited to:

- A payment plan or agreement (s564 of the Local Government Act) so that rates and charges (whether overdue or not) are paid on a weekly, fortnightly or monthly basis.
- Interest may be waived or reduced for a set period of time.
- A pensioner rebate (additional to the legislated rebate) may be given.
- Interest, rates or charges may be written off, waived, reduced, or deferred for eligible applicants (s564, s 577, 601 Local Government Act)

Applications for a special variance to general income

The ability to introduce a special rate variation to General Income requires Ministerial Approval. The provision allows the raising of additional income over and above the rate cap for specific purposes and under strict guidelines.

Council can apply for additional income through these provisions, however at this stage there has been no thought given to doing so. In the future this option will be explored if deemed necessary.

User Charges and Fees

Many of the services provided by Council are offered on a user pays basis. Fees and Charges relate mainly to the recovery of service delivery costs through the charging of fees to users. All fees in this category are annually reviewed and some of the general considerations for setting these fees include:

- Cost of the service or operation;
- Consumer Price Index;
- Other revenue sources which may fund the service;
- Laws and Regulations;
- Ability of the persons/groups using the service to pay;
- Benefit to the community (possible subsidy); or
- Benchmarking with others providing similar services

Council needs to be mindful of using fees and charges as an avenue to increase revenue to the extent that it can create issues around maintaining equitable access to services and facilities for residents. The Shire's relatively low population base does not provide a large market from which significant fees and charges can be obtained.

Statutory fees such as development assessment fees, planning certificates etc charged by Council are subject to direction through regulation and other state government controls. Council does not set these fees and does not have the power to vary the fee set. The majority of statutory charges do not provide for annual increase in line with CPI or the cost of providing the service and therefore excluding development related income, no growth in these fees has been included in the 2023/2024 budget.

The Roads and Maritime Services contract (RMCC) is classed as a fee for service and accounts for approx. \$1.7million of revenue annually. Council also operates the Buronga Landfill, it is expected that this operation will generate \$3,450,000 in revenue for 2023/2024. Overall Council expects to raise \$7,089,144 from user fees and charges for 2023/2024.

Interest on Investments

Council has an investment portfolio that varies in size from year to year however it is projected to be between \$40m and \$45m for the majority of 2023/2024. These funds are a mixture of unspent grants, reserve funds and general revenue. All investments are placed in accordance with the Minister's Order and Council's adopted investment policy. Interest earnings form a significant part of Council's revenue each year and are subject to fluctuations in interest rates as they respond to economic conditions.

Approximately \$42,000,000 of Council's cash reserves are currently either internally or externally restricted, this means that they have been set aside to fund specific expenditure. This gives Council the ability to strategically invest these funds in order to gain maximum returns whilst minimising risk. The remaining funds make up Council's available working capital which is required to fund day to day operations. Council also receives interest on outstanding rates and annual charges.

Council expects to receive \$1,692,950 from investment activities in 2023/2024.

Grants and Contributions

Council receives an annual Financial Assistance Grant from the Commonwealth as well as various grants from other State and Commonwealth Government departments. Council has assumed that it will continue to receive these grants, however, should these grants and subsidies be reduced Council's ability to provide the same level of service will be impacted.

Council also receives operating and capital grants from various funding bodies to help fund the following services:

- Roads maintenance and capital works
- Library Services
- Weeds
- Youth Week
- Rural Fire Services

Council will continue to seek grants and partnership funding for a range of well-aligned projects and programs, which will be reflected in the budgets as and when specific arrangements are confirmed.

Council collects monetary contributions from developers as a condition of consent on Development Applications to meet the demand for public amenities and public services created by new development. Authority to do this is provided by Sections 7.11 & 7.12 of the *Environmental Planning and Assessment Act 1979* (NSW).

This form of revenue is difficult to predict and Council has adopted the prudent position of making no assumption that this source of funds can be relied upon for the purpose of forward forecasting of resources and financial sustainability. Successful increases in revenue through, grants, partnerships and developer contributions will be treated as windfalls.

The Local Government Financial Assistance Grants are paid to local councils to help them deliver services to their communities. The funds are paid annually by the Australian Government. Councils are free to use these funds at their discretion and are accountable to their ratepayers.

Following the 2013 independent review of local government in NSW the State Government has been refining the funding model for the Financial Assistance Grants in order to channel additional support to councils and communities with the greatest needs. Generally, councils and communities with the greatest need have the following characteristics:

- Rural and remote councils;
- With small and declining populations;
- Have limited capacity to raise revenue;
- Have financial responsibility for sizeable networks of local roads/infrastructure & diminishing financial resources; and
- Relative isolation

Funds are allocated by the State Government on the basis of the national principles as outlined in the *Local Government (Financial Assistance) Act 1995 (Cth)*. The ongoing challenge facing the government has been how to allocate a fairer share of the grant to disadvantaged councils when a fixed 30% of the grant must be allocated based on population increases/decreases.

Council has forecasted to receive \$40,624,894 in operating and capital grants in 2023/2024.

Council will receive capital grants and contributions in 2023/2024 which will contribute to funding the following projects:

- Roads to Recovery Program
- Regional Roads Block Grant and Repair Program
- Local Roads & Community Infrastructure Projects
 - James King Park Riverfront Upgrade
 - Willowbend Caravan Park Ablutions Block
 - Wentworth Civic Centre Redevelopment
- Fixing Local Roads
 - Log Bridge Road
 - Keenan's Drive
- Stronger Country Communities
 - Wentworth Showgrounds Female Jockey Room
 - Carramar Drive Sporting Complex Cricket Nets
 - George Gordon Oval Netball Courts and Female Change Rooms
 - Wentworth Aerodrome Minor Upgrades
- Resources for Regions
 - Wentworth Civic Centre Redevelopment – Visitor Information Centre
 - Wentworth EDS
 - Reserves Upgrades
 - Buronga Riverfront Toilet Block
 - Pooncarie Toilet Block
 - Buronga Wetlands Sharedway
 - Buronga Pump Track Stage 2
 - Greater Murray Darling Junction Viewing Platform
 - Reserve Kitchen Upgrades
 - Wentworth Sporting Complex Bowling Green
 - Alcheringa Tennis Courts Upgrade
 - Open Spaces Developments
 - Wentworth Shire Footpaths and Sharedways
- Growing Local Economies
 - Pooncarie-Menindee Road Upgrade
- Crown Land Improvement Fund
 - Willowbend Caravan Park Redevelopment
 - Ski Reserve Rehabilitation
- NSW State Library Grant
 - Wentworth Library Relocation
- Pothole Repair Program
- Regional and Local Roads Repair Program
- Regional Tourism Activation Fund
 - Light State
- Remote Roads Pilot Upgrade
 - 24.5km Arumpo Road Reconstruction
- Flood Plain Study
- Get Active NSW
 - Wood Street Sharedway
 - Pine Road Sharedway
 - Wood Street & Gol Gol North Road Sharedway
- Flood Recovery Works
 - Roads
 - Open Spaces and Buildings

Council has an internally restricted fund of \$1,000,000 that can be used to contribute to funding applications as they become available.

Should the grant application process be unsuccessful, Council will have to use external borrowings to finance the works.

Other Revenue

Miscellaneous revenue is obtained from a variety of sources including insurance recoveries, property rentals, sale of assets etc. It is anticipated that other revenue will be maintained at current levels with an increase for CPI factored in. Council has budgeted to receive \$1,104,133 in 2023/2024.

Operating Expenditure

Council has forecasted \$31,162,777 in operating expenditure for 2023/2024.

Extract of Operating Statement				
Operating Expenses	2024	2025	2026	2027
Employee Costs	\$11,077,890	\$11,618,842	\$12,225,782	\$12,588,897
Materials & Contracts	\$7,448,686	\$3,857,911	\$4,479,464	\$4,753,780
Borrowings	\$473,028	\$850,093	\$804,168	\$834,538
Depreciaton & Amortisation	\$8,465,001	\$8,465,001	\$8,843,996	\$8,843,996
Other Operating Expenses	\$3,698,171	\$3,923,341	\$3,898,376	\$4,020,600
TOTAL	\$31,162,777	\$28,715,188	\$30,251,786	\$31,041,812

Employee Expenses

Employee expenses comprise approximately 40% of Council's operating costs with 133.45 Full Time Equivalent (FTE) Staff. The salaries and wages budget calculation include an assumption that staff will take four weeks annual leave. Throughout any year salary savings resulting from staff vacancies and efficiencies will occur naturally.

The superannuation Guarantee Levy is currently at 10.50% and will progressively increase to 12%. Council has a number of staff in the defined benefit scheme and have been paying significantly increased contribution rates to fund this scheme.

Council Employee Leave Entitlements reserve is used to fund unanticipated changes in termination payments each year. The number of staff who might leave is difficult to predict and the budget has a provision added to represent the projected levels of retirements, to accommodate the challenges of an ageing workforce.

Council's policy is to fully fund the leave entitlements of staff in the Employee Leave Entitlements Reserve. In recent years the reserve has been used to assist in the funding of costs associated with the resignation/retirement of a number of long serving employees. Council has been fortunate in recent years that it has had enough surplus cash to fund 100% of this reserve. It is projected that the reserve will maintain a balance of 100% through 2023/2024. However, if surplus funds were to decrease Council may choose to review this policy.

Workers Compensation premiums increase and decrease significantly with claims history. Council continues to be proactive in order to minimise any potential for claims.

Organisational Structure

The 2023/2024 Operational Plan is based on the figure of 133.45 equivalent fulltime employees (FTEs). Councils total employee costs for 2023/2024 is expected to be \$11,077,890.

Borrowing Costs

Wentworth Shire Council in the past has been debt averse and viewed the achievement of a low level of debt or even a debt free status as a primary goal. However, Council appreciates that the use of loan funding can be a critical component of the funding mix to deliver much needed infrastructure to the community. The beneficiaries of these projects will assist in their funding as their rates will be applied in part to repaying the loans. This is in contrast to current ratepayers bearing the entire burden in one year, possibly at the expense of other worthwhile expenditure.

Debt is seen as a method of more fairly spreading capital costs to deliver intergenerational equity. Keeping this in mind there are limits to the amount the Council can borrow without impacting on its financial sustainability and Council is mindful of not wanting to impose excessive debt on current or future generations.

Council's borrowing strategy projected in the LTFP is to restrict the debt service ratio to less than the industry benchmark of 20%. Before embarking on any new debt Council will consider the following:

- Debt financing is only to be used for clearly identifiable major projects and the Capital Works Program;
- Debt finance will not be used to meet operational shortfalls; and
- The period of repayment of debt finance shall not exceed the period over which the benefits are received from a project, or the life of the asset whichever is lesser

The principles of intergenerational equity are supported in respect of the Council contribution to the funding of major projects, the benefits of which will be shared by future generations.

Loans shall only be raised after taking into consideration future known specific capital funding requirements and, when raised, shall only fund the specific project or purpose approved.

Borrowing costs on current and projected loans and financing arrangements will total \$473,028 in 2023/2024.

Materials and Contracts

Materials and Contracts represent the principal costs used to deliver services to the community and are forecast to increase by 7% in 2023/2024 in line with increases in the Consumer Price Index. Materials and contracts are subject to variations in the market and particularly to petroleum prices. Such fluctuations impact on the price of petroleum and petroleum-based products (such as asphalt) and makes forecasting difficult. This years figure has also been increased to take into account the Pothole Repair program and the Regional & Local Roads Repair Program grants which are one-off operational grant expenditure. Budgeted expenditure for 2023/2024 is \$7,448,686.

Depreciation

Depreciation reflects the fact that an asset's cost is proportionally expensed over the time during which it is used. Depreciation has been based on the estimated useful life of assets and will be reviewed every year. Council continues to thoroughly review its residual values and estimated useful lives. Budgeted depreciation for 2023/2024 is \$8,465,001.

Other Expenses

Includes items such as audit fees, valuation fees, office expenses, software licences, insurances, electricity costs etc. These costs count for approximately 10% of Council operating expenditure and have been forecast to increase in line with increases in CPI each year except

for insurances, electricity costs and State Government Emergency Services levy which have been forecast to increase above CPI each year. Budgeted expenditure for 2023/2024 is \$3,698,171.

Expenditure Challenges

As part of the process of preparing the operational plan each year, Council critically reviews operating expenditure in order to identify areas where it could reduce spending without compromising service delivery. Community needs must be understood and are a key input into the annual operational plan, for many years Council has recognised the challenge of meeting community needs in a financially sustainable manner. This challenge has been divided into two elements (1) assess the gap in financial sustainability assuming community needs correspond to the current scope of services and service levels and (2) assess the impact of additional or enhanced services in line with changing or revised community needs.

Capital Expenditure

The challenge over the medium to long term is to achieve financial sustainability whilst still assisting the community to achieve its vision as established in the 10 year Community Strategic Plan. The challenge is to also adequately maintain existing assets before adding to the asset base, bearing in mind that new assets add to ongoing operational costs.

Substantial capital programs are in place to continue the renewal of Council's infrastructure network. The programs will ensure that these key asset groups meet or exceed Council's determined 'minimum' service levels and continue to provide the expected amenity to the community.

The capital works program prioritises projects based on asset condition, risk, community need and other opportunities as they arise with other entities. Over shorter periods, some areas of the Shire may require more capital works than others to reflect short term needs and opportunities.

The need for new assets is constantly assessed and verified against current population and development projects, community feedback and alternative means of supplying services. A further consideration is the priority of refurbishing existing assets that provide community benefits or operational services that require regular refurbishment to enable the overall safety and quality of the facility to be maintained.

Apart from funding constraints, Council has capacity constraints which determine the capital works program delivery timeframe. The constraints in project delivery include community consultation, state government approvals, design, procurement processes and availability of labour resources to project manage and implement the projects.

In addition to the renewal and expansion of Council's asset base delivered through the capital works program, Council undertakes a replacement (and, where appropriate) upgrade/ expansion program for its plant and equipment assets including motor vehicles, furniture, plant and IT hardware.

The budget for 2023/2024 has been developed through a process of consultation and review with Council and staff. As required by the Integrated Planning and Reporting framework, the Operational Plan and Budget are for a one year period. The Long Term Financial Plan details Council's financial forecast for a 10 year period and budget estimates for the next four years are provided in the Delivery Program.

Capital Expenditure	2024	2025	2026	2027
Existing Infrastructure Renewals	\$8,502,201	\$8,726,135	\$8,702,222	\$8,842,910

The Major Projects and Capital Expenditure Program for 2023/2024 will be \$46,699,027.

Capital works are funded from the following sources:

Loans/financing	\$6,000,000
Restricted Funds	\$12,840,517
Retained Earnings	\$500,000
Council Operations	\$11,385,968
Grants and contributions	\$15,972,542

Rate Levy 2023/2024

Council has received advice from the Minister for Local Government that the rate pegging limit for 2023/2024 is 3.70%. The maximum increase has been proposed.

The rating structure proposed is consistent with previous years and no changes have been forecast at this stage. Council has tried to spread its rate burden as evenly as possible across all ratepayers. While it is impossible to keep everyone satisfied, the proposed rating structure endeavours to make it as fair and equitable as possible.

The Tourism Special Rate will remain at \$10 per Assessment.

Statement with respect to each ordinary and each special rate proposed to be levied:

- No special Rates are proposed for 2023/2024.

In accordance with Sections 534, 535 & 537 of the *Local Government Act 1993*, Council resolves to make and levy an ordinary rate to comprise of a base rate and an ad valorem rating structure for 2023/2024 financial year for every parcel of rateable land within the Wentworth Shire Council as follows:

FARMLAND CATEGORY

Includes all of the lands within the local government area of Wentworth categorised as Farmland except those parcels of rateable land sub categorised as:

- Dry Land Grazing
- Farmland, Licence/Pump Site/Pipeline

Farmland

An ordinary rate of 0.00185599 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Farmland, in accordance with Section 515 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$600.00) for each assessment. The base amount accounts for 34.62% of the estimated yield for this category. The estimated yield for this rate is \$1,223,586.

Farmland – Dry Land Grazing

An ordinary rate of 0.00150306 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Farmland, sub categorised Dry Land Grazing in accordance with Section 515 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$600.00) for each assessment. The base amount accounts for 19.98% of the estimated yield for this category. The estimated yield for this rate is \$783,609.

Farmland, Licence/Pump Site/Pipeline

An ordinary rate of 0.03225436 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Farmland, sub categorised Licence/Pump Site/Pipeline, in accordance with Section 515 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$95.00) for each assessment. The base amount accounts for 42.01% of the estimated yield for this category. The estimated yield for this rate is \$15,151.

RESIDENTIAL CATEGORY

Buronga

An ordinary rate of 0.00265344 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Residential, sub categorised Buronga, in accordance with Section 516 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$260.00) for each assessment. The base amount accounts for 28.73% of the estimated yield for this category. The estimated yield for this rate is \$472,394.

Dareton

An ordinary rate of 0.01861786 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Residential, sub categorised Dareton, in accordance with Section 516 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$195.00) for each assessment. The base amount accounts for 45.36% of the estimated yield for this category. The estimated yield for this rate is \$81,677.

Gol Gol

An ordinary rate of 0.00294698 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Residential, sub categorised Gol Gol, in accordance with Section 516 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$260.00) for each assessment. The base amount accounts for 24.33% of the estimated yield for this category. The estimated yield for this rate is \$637,954.

Gol Gol East

An ordinary rate of 0.00281207 cents in the dollar on the land value of all rateable lands within Wentworth Shire Council categorised as Residential, sub categorised Gol Gol East, in accordance with Section 516 of the *Local*

Government Act 1993 be now made for the 2023/2024 rating period, subject to a base amount of (\$360.00) for each assessment. The base amount accounts for 22.69% of the estimated yield for this category. The estimated yield for this rate is \$418,946.

Pooncarie

An ordinary rate of 0.01507824 cents in the dollar on the land value of all rateable lands with Wentworth Shire Council categorised as Residential, sub categorised Pooncarie, in accordance with Section 516 of the *Local Government Act 1993* be now made for the 2023/2024 rating period, subject to a base amount of (\$195.00) for each assessment. The base amount accounts for 43.84% of the estimated yield for this category. The estimated yield for this rate is \$23,575.

DOMESTIC WASTE

Domestic Waste collection charges will increase by 3.70% per annum in order to keep up with the increased cost of collection.

In accordance with Section 496 of the *Local Government Act 1993*, Council resolves to charge the following Domestic Waste Management Charge for each rateable residential property within Wentworth Shire Council.

Garbage Charges				
Description	Access	Charge	Notional Income	Pensioner Rebate
Domestic Waste - Urban	2,293	261	\$598,473	\$26,000
Domestic Waste - Rural	1,007	318	\$320,226	\$6,000
			\$918,699	\$32,000

In accordance with Section 532 of the *Local Government Act 1993*, Council will adopt its rates and charges after public notice is given and after due consideration of submissions received.

Statement of the types of fees to be charged by Council and the amounts of each such fee:

Section 612 of the *Local Government Act 1993* prohibits Council from determining a fee until it has given public notice of its draft delivery and operational plans for the year in which the fee is to be made and has considered any submissions received. Council will adopt the 2023/2024 fees and charges schedule on 28 June 2023, after consideration of all written submissions by residents and ratepayers.

Refer to attached document for the fees and charges schedule.

Statement of Council's Pricing Policy with respect to the goods and services provided by it

Reference is made to Council's Pricing Policy in its Annual Fees and Charges 2023/2024. The Pricing Policy is related to the degree of cost recovery, having regard to the following factors:

- Equity objectives
- User pays principle
- Cross subsidisation objectives
- Financial objectives
- Customer objectives
- Resource use objectives
- GST

Council's broad policies on revenue are:

- Council will ensure all rates, fees and charges will be levied equitably;
- Council supports the user pays principle in assessing the levying of fees and charges and the amount to which they are set, while considering the needs of those in the community who are unable to meet their own needs; and
- Council will pursue all cost effective opportunities to maximise its revenue base.

The pricing policy referred to in the Annual Fees and Charges for 2023/2024 is based on a selection of one of the following choices:

- The pursuit of full cost recovery (100% of identified costs).
- The application of partial cost recovery (reflecting the impact of public good constraints and/or community service obligations).
- The application of zero cost recovery (reflecting an inability to charge a fee).
- The application of a reference price (a fee or charge set by statute or regulation).
- The pursuit of a commercial rate of return on capital invested (to reflect the capital risks involved in the provision of a particular service).

Statement of the amounts or rates proposed to be charged for the carrying out by Council of work on private land

Council may by agreement with the owner or occupier of any private land, carry out on the land any kind of work that may lawfully be carried out on the land (Section 67(1) *Local Government Act 1993*).

Examples of private works are:

- Paving and road making;
- Kerbing and guttering;
- Fencing and ditching;
- Tree planting and maintenance;
- Demolition and excavation;
- Land clearing and tree felling;
- Water, sewerage and drainage connections; and
- Traffic Management Services.

This type of work is to be charged at cost with a percentage charge of 10% added for profit purposes. All profit is returned to Council's General Fund income.

Statement of proposed borrowings

The Wentworth Shire Council is proposing to utilise up to \$9,500,000 in 2023/2024 to help fund capital requirements for the redevelopment of the:

- Wentworth Civic Centre - \$5,500,000 (previously approved by Council);
- Willowbend Caravan Park - \$2,000,000 (previously approved by Council); and
- Stormwater Infrastructure Upgrades - \$2,000,000

This is a combination of \$6,000,000 of new loans and \$3,500,000 of previously drawn down funds.
