

As part of the NSW Government Resources for Regions Round 9 funding program, Wentworth Shire Council were successful in obtaining \$450,000 in funding to undertake the replacement of footpaths in the Wentworth Shopping Precinct. This area has been identified as a priority upgrade, due to root systems of trees in Darling Street causing the footpath to become a safety hazard for pedestrians.

Feedback is encouraged from business owners, members of the community and travellers to the region. Feedback to be submitted by **5pm on Friday 17 May 2024** via:
