## 11 CONFIDENTIAL BUSINESS – ADJOURNMENT INTO CLOSED SESSION

Despite the right of members of the public to attend meetings of a council, the council may choose to close to the public, parts of the meeting that involve the discussion or receipt of certain matters as prescribed under section 10A(2) of the Local Government Act.

With the exception of matters concerning particular individuals (other than councillors) (10A(2)(a)), matters involving the personal hardship of a resident or ratepayer (10A(2)(b)) or matters that would disclose a trade secret (10A(2)(d)(iii)), council must be satisfied that discussion of the matter in an open meeting would, on balance, be contrary to the public interest.

The Act requires council to close the meeting for only so much of the discussion as is necessary to preserve the relevant confidentiality, privilege or security being protected. (section 10B(1)(a))

Section 10A(4) of the Act provides that a council may allow members of the public to make representations to or at a meeting, before any part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

Section 10B(4) of the Act stipulates that for the purpose of determining whether the discussion of a matter in an open meeting would be contrary to the public interest, it is irrelevant that:-

- (a) a person may misinterpret or misunderstand the discussion, or
- (b) the discussion of the matter may -
  - (i) cause embarrassment to the council or committee concerned, or to councillors or to employees of the council, or
  - (ii) cause a loss of confidence in the council or committee.

### **Recommendation**

That Council adjourns into Closed Session, the recording of the meeting be suspended, and members of the press and public be excluded from the Closed Session, and that access to the correspondence and reports relating to the items considered during the course of the Closed Session be withheld unless declassified by separate resolution.
