Win more work – workshop opportunity for regional NSW businesses

The Regional Economic Development (RED) team from the Department of Primary Industries and Regional Development is excited to invite you to attend a workshop tailored to upskill regional businesses like yours.

About the workshop

We’re inviting local small business owners to join us for a **one-day workshop** designed to help you:

gain practical skills that can be immediately applied to help you win more work

understand the procurement process and how to prepare professional quotes

connect with other small businesses, project proponents and business advisers to share tips, experiences, and position yourself for future opportunities.

By investing one day in this focused workshop, you’ll gain actionable strategies and insights tailored to your business needs. It is also an opportunity to connect with fellow local business owners and learn from their experiences in a collaborative environment.

Why attend?

- Receive practical advice, tools and support for your business
- Tailored specifically for small businesses
- Small group setting to ensure personalised attention
