POST-DEVELOPMENT DILAPIDATION REPORT

Instruction for preparing this report

The owner/their authorised representative is to inspect Council infrastructure around the work site for damage after completion of all works. Map Council assets, including but not limited to, roadways, footpaths, kerb and gutter, vehicle crossovers, driveways, pit covers, utilities, stormwater drains, nature strip, landscaping, street trees, street signs and street furniture within the vicinity of the development site on a site/locality plan and mark all damage. Label the damage with numbers and provide detailed description (e.g. Site 1 Crack in footpath, hairline, 1.2m long; Site 2 Kerb - concrete piece 5cm diameter missing and hairline crack running down into gutter beside driveway entry). Attach site photographs or other supporting documents.

Note: This report must be submitted to and approved by Council prior to the issue of the Occupation Certificate.
